Just Mercy: Justice Opinion Survey

Read the following statements. Each statement is a situation or topic surrounding law, justice, crime, and/or empathy. For each statement, please give your opinion and why you believe or think that way about the subject. Please make sure you use full sentences and support your opinions. If you do not know much about a statement or are unsure, please state that you do not know or are unsure. I would rather that you say that than try to make something up.

3. Everyone in jail is a criminal.

4. Race plays a part in how laws are made and how certain people are convicted of crimes.	
5. Discrimination is as relevant today as it was 50 to 400+ years ago.	
Which one of these statements were the hardest for you to respond to? Why?
